treatments which are continually being and retired for the purpose of making thin people fleshy, developing arms, neek and hust, and replacing upon hollows and angles by the soft curved lines of health, and beauty, there are evidently thousands of men and women who keenly feel their excessive thinness.

Thinness and weakness are often due to starved nerves Our bodies need more phosphate than is contained in modern foods. Physicians claim there is nothing that will supply this deliciency so well as the organic phosphate known among drugglists as bitro-phosphate, which is inaxpensive and is soid by most all drugglists under a guarantee of sathat every guarantee

Joseph D. Harrigan, Former Visiting Specialist to North Eastern Dispensatory, says: "Let those who are weak, thin, nervous, anaemic or rundawn, take a natural unadulterated substance such as bitro-phosphate and you will econ see some astenishing results in the increase of nerve energy, strength of body and mind and power of endurance."

Bitro-phosphate is made entirely of the organic phosphate compound referred to in the National Standard Dispensatory as being an excellent tonic and nervine and a preparation in the triangle of the report of city dog specialist of the report of city dog s

Ye TOWNE GOSSIP

By VIRGINIA TERRIUSE VAN DE WATER.

DEAR K. C. B.—Will you please inform your readers your attitude toward women wearing one-piece bathing suits? I note some of the "uplift" and "reform" leaders are getting a lot of advertising through this medium. In California one-piece satisface worn. At Coney Island they are not. In California one-piece satisface worn. At Coney Island they are not. For everything, including decency, which beaches do you consider the best!
